

Fixed Income Trainee Analyst - Investment20/20 Programme

Locations: London, England, United Kingdom

Career Area: Investment Professionals

Applications Close: 21st March 2021

Start Date: 20th September 2021

Interested in a career in Fixed Income Investments?

Invesco is proud to be a part of the Investment 2020 initiative, and we are delighted to invite you to apply for a 12 month placement with us, starting on 20th September 2021. Our culture of collaboration and inclusion makes Invesco a great place to work and reflects the broad diversity of thought across our organisation. We offer entry level work experiences that will inspire and challenge you!

These are traineeships, so we are specifically looking for results-oriented and motivated graduates who are interested in a career in Fixed Income investing.

Have you always had an interest in Investments and want to get a foot in the door? We've got just the role for you to get some amazing experience, working within our high-performing Fixed Income Team.

You'll be supporting the Investment Management team with tasks relating to portfolio management and analysis, specifically within the Credit Analysis team. You could be producing the sort of data and reporting that will directly contribute to investment decision and you'll learn a lot about financial markets and the entire investment process.

Sound exciting? You'll need some strong numeracy skills for this one, and some knowledge of economics, preferably acquired from your degree. A clear interest in the investment management industry and some experience with Excel as a data manipulation tool would also be useful. We're looking for people with genuine intellectual curiosity, who can think critically and commercially, as well as being able to work both independently and with our diverse and successful team.

How to Apply

Whilst a CV is important, we'd also like to get to know you as more than just a name on a piece of paper, which is why we're asking you to address some questions that are important to us in a Word or PDF document:

1. What interests you about Investment Management, and specifically about Fixed Income?
2. What are some of the current economic factors that could influence fixed income investments?
3. Tell us about a particularly challenging situation you've faced personally and what you've learnt from this
4. What would you like to achieve in your career and how can this placement help you get there?
5. What has your work experience and/or education taught you so far about yourself?
6. What is your proudest achievement?

This is a great opportunity for you to shine and to help us better understand your motivations! Unfortunately, we will not be able to consider your application without this submission.

The Good Stuff

We have an outstanding benefits package, which includes:

- Competitive salary and bonus
- Company-provided healthcare
- 26 days' annual leave + bank holidays
- Generous pension provisions
- Income protection
- Health and wellness benefits
- Volunteering days
- Life insurance

Our Commitment to the Community, the Environment and Responsible Investing

We partner with charitable organisations globally to make an impact in the communities where we live and work. Our people are encouraged to support the charities they feel most passionate about and are offered two days' volunteering leave annually.

We are committed to adopting and implementing responsible investment principles and practices that uphold our fiduciary responsibility to our clients, as well as being good stewards of the environment.

Invesco is committed to environmental, social and governance (ESG) investing. We serve our clients in this space as a trusted partner both on specific responsible investment product strategies as well as part of our commitment to deliver a superior investment experience.

Join Us

We're proud to be a firm that achieves more together. One that is focused on doing work that matters. One that gives a voice to every employee. One that genuinely cares. By coming together to share our ideas, listen, and challenge each other's perspectives, we get to better solutions for our clients.

Our ambition is high. By working smart and supporting one another, we can continuously push ourselves to grow. We all have the opportunity to make a meaningful impact on our business, our industry and our clients' lives.

Applications close on Sunday 21st March 2021

People with disabilities who need a reasonable accommodation to apply for employment with Invesco may request this by sending an e-mail to EMEA- Talent Acquisition. Please include your name, the job you are interested in, and the type of accommodation you are requesting.
